

Thank you for your interest in becoming a vendor at the Newport Farmers Market. Our Market is always looking for new vendors who plan to sell produce, plants, flowers, meat, cheese, wine, specialty foods, art and crafts.

Space for Artisans/Crafters is limited, but we may accept new arts/craft vendors from Lincoln County only, whose offerings add to the diversity of the market as space permits.

VENDOR JURYING

To assure quality and to avoid duplication of existing items, **Vendor Jurying** will take place.

The following vendors will be juried and must provide photographs of their products.

- 1) All new applicants;
- 2) Current artisans/crafters adding a different medium; and
- 3) Current farmers adding a value added item grown on your farm, such as jam, salsa, beeswax candles, etc.

Please submit a photograph with your application of your produced crafts and goods, farmers showing some portion of your farming operation: farm signage and barn, photos of crops or animals, in the fields planting or with crops in green houses; or food preparers in your kitchen with ingredients of production, assistants, etc.
